Mills and Davis connections.

We came back by Waynesboro hoping to pick up something but nothing new. I did go over to old Fort Claiborne one day, just nosing around. The only thing left there is one store run by a Skinner and he gave me some of the history. I had some car trouble so didn't tarry too long.

Mrs. Chapman who lives here and whom you have corresponded with talked about your cemetery book of Perry County, Miss. Since we both were born there and have interest but no relatives buried there she suggested we buy a book together. She said she was going to order the book and if she doesn't sooner or later I will-so look for an order some day.

Now about the libraries:

1. The Louisiana State University Library has lots of good information, just depends on what you are looking for
2. The Louisiana State Library has lots of good books-there again you might find something interesting.
3. The City Parish Centroplex Library also has some good records including a good D.A.R. Collection. They have all the southern states census on microfilm.
4. The Mormon Church Library is worth looking into.
5. The Le Comite Library is new and people don't seem to know too much about it. It is a private collection of Damon Veach mostly and they are just getting started and will definitely not replace the Louisiana Archives.
6. The Louisiana State Archives may have just what a person would want but they don't have good facilities. The state is in the process of building a new archive but that's a long way off.

Frances and I spend one or two days a week in these six libraries-have for six years-and we will never see all the

Dear Jean and Ben,

Our letters of last writing seemed to have crossed
~~As~~ they were written the same time. You mentioned that
you might move to Pascagoula but we haven't heard anything.
Hope you get this.

About the only thing I have new is a 1820 census^{WAYNE COUNTY} that
shows Jenny Hale listed with six in the family. You
probably have this but it is the first time I had seen it.
I also have a 1820 census of Simeon Strickland, Wayne
County. If you do not have a copy of these two reports
I will be glad to send both to you. That tends to prove
that Jenny Hale lived by Simeon and not in his household.
That is the story that I got from Corrine Strickland.

This is just a note to keep in touch.

Sincerely,

W W Mills

Dear Mr. Jones:

I wanted to write you to thank you for being so nice to us when we stopped by your house last Monday. It was really enjoyable talking to you and we hope you won't mind if we stop by and talk to you again when we are over that way.

I am enclosing some papers on the Dunnam's and on Jenny Hale like my wife promised.

I write to a W. W. Mills in Baton Rouge, LA. who told me he had some Jones kinfolks in Greene County, Mississippi. He is the great grandson of Dorcas Henderson, sister of Jane Henderson Dunnam. I asked him if he knew where Jenny Hale was buried. Maybe he will know and if he tells me will let you know.

Thanks again for being so nice to us.

Dear Jean,

Received your letter of 21 June and 1 July. I thank you very much for both. We haven't done any research lately. Mrs Mills has been in the hospital with a heart problem and we have both had a bad case of virus but we are doing better now.

Enclosed find 2 - 1820 censuses of Wayne County. The filon was much clearer than the print-outs but you can read them. There is a Mills or Miles on one and I wish I knew who he was. I am not any nearer to finding who James A Mills' father was but I haven't given up. If you would be willing to do some detailed research for him I would be glad to pay you a usual research fee

Hope to do some traveling and research soon and maybe we will drop by to see you both

Sincerely

Dear Ward and Frances:

Though we had better let you know that we had moved to Mississippi and give you our change of address. We live just off Highway 90 east of Pascagoula in Orange Grove Community at Woodland Park Mobil Home Park, Space 25. Our phone number is 601-475-7528.

We have been here about a week now and are slowly getting settled. Thought moving in a Mobile Home would be easier than moving from house to house but it wasn't. Anyway, we are happy to be in Mississippi and closer to where we were spending so much time and money going to. Maybe now we can finish the cemeteries in Greene County.

Thanks for the map information from Mrs. Chapman. I hope to order what I want soon. Since we saw you, we have been to Washington County, AL and found out some more about John W. Strickland, son of Simeon and Jenny Hale Strickland so have to revise some of the group sheets I sent, but will send you a revised copy as soon as I get them completed.

Have not yet received the Walley information from the Canadian Archives, but expect to soon. It has been about 8 weeks now and it sometimes takes about 12.

Am enclosing a clipping from the Waynesboro paper. Seems those Mills boys are pretty good fishermen.

Have been trying for sometime to locate the diary of George Stiggins who was a half-breed creek from the area where Jennie Hale lived in Alabama. Finally found out that the original is in the Draper Collection at the State Historical Society, Madison, Wisconsin, but that a microfilm of Series V (which consists mostly of Stiggins diary) is at U.S.M. Hattiesburg. Can't wait to get there and look at it. I feel that it is going to shed some light on the Hales and possibly the Stricklands and Mills. Stiggins mother was a Creek Indian named Haw. She is mentioned in his father's will in Baldwin Co., AL records. Stiggins was a favorite of Hawkins, the Indian Agent and was educated as Samuel and David Hale were, probably at the school on the Tensaw in Washington County, AL.

Hope you are both doing okay and having a good summer. If you are over this way, come by to see us.

Sincerely,

Mr. W. W. Mills

Baton Rouge, LA 70815

Dear Mr. Mills:

Your card arrived after being forwarded to us from Texas. We moved to Florida in the fall of 1977.

Yes, I am very much interested in exchanging information with you on Simeon Strickland.

What is your connection with Simeon Strickland line? I am not sure that my husband has a connection, but it is the only line that seems to fit at all. My husband's grandfather was Henry Strickland born in the Wayne, Jones, Perry, Greene County area of Mississippi in July 1842. He is never shown in the census with his parents, but is living with Preston and Martha Stinson until he enlists in the C.S.A. in 1861 (family tradition says that they were his aunt and uncle, but I have no proof). We have been looking for many, many years and still do not know who Henry Strickland's parents were.

We have collected so much information on Stricklands in the above counties and will be glad to share all of it with you. Maybe you can help me put it together properly.

I know now that part of my query in 1974 was wrong. The Simeon listed in 1830 is the same one as listed in 1820. The younger one is listed in my Wayne County Cemetery Book as being born in 1822 and could not have been old enough in 1830 to be the head of a family.

Last year I wrote to the Bureau of Indian Affairs and asked for information on the Stricklands to see if the part about the Indian blood was correct. I received a copy of a letter written in the early 1900's for the wife of Simeon Strickland Jr. asking about Creek Indian land in connection with Jennie Hale a $\frac{1}{2}$ breed Creek. I will be happy to send you a copy if you do not already have it.

That would make Simeon Sr. and wife Jenny Hale Strickland. Who were their Children? I feel sure that much of the information I have will fit into this family, if I had some idea where to start.

Anything that you can tell me will be greatly appreciated. Then I can send you what I have that belongs in this family.

Thank you for answering my query and I am looking forward to hearing from you again.

Sincerely,

Jean Strickland

Dear Ms. Edwards:

While visiting my cousin, Lynda Lehmann French, in Austin last week, she told me of her contact with you through the Prodigy computer network. She told me of your interest and knowledge in the Lott genealogy line in Mississippi.

We have been researching this line after their arrival in Texas in the early 1830's, and have gathered quite a lot of material on the early arrivals and their offspring. We would like to know more about the families in Mississippi, because many of these Lotts came to Texas and settled in other areas. It is probable that many were brothers. They most certainly were related since the Lott line was so numerous.

Our attempts to reach you were unsuccessful by the prodigy route and by telephone. This letter will hopefully reach you, or will be forwarded should you have a new address. We are anxious to share information in attempting to better document a rather confusing and perplexing family line. If you will agree to participate in this endeavour, please let me know with your mailing address and telephone in the enclosed envelope.

Sincerely,

Bill Lehmann

Dear Jean,

It was a real pleasure to hear from you again. Don't you and Ben dare go to Mississippi without Frances and me, searching for ancestors. I have been wanting to talk to you for a long time and maybe you could help me solve two or three searching problems that I have. If you will look on page 75 of the Family Trails-Feb. issue-you will see three of my problems. I have lots of information but no proofs. Maybe someone else could see them in a better perspective.

Also on the opposite page I see where you and Ben have published a valuable book on Wayne, County, Enclosed find a check for \$10.00 for a copy. I think it looks great and timely.

Now to try and answer your questions. No. 1. I did not get the William I. Henderson land patent in Jackson, Miss. I wrote to the correct place in Silver Springs, Maryland for a patent copy on James A. Mills and they wrote me back that they would have to have a complete discription in cluding the lot number, section, range, township, etc. So I went to Washington D. C. and Silver Springs Land Office and they tried to give me that same old run around but I was persistant. They finally turned the books over to me and we spent several hours looking up records. I finally got nine copies of different people at a cost of about \$25.00. The correct address is -Eastern States Office, 7981 Eastern Avenue, Silver Springs, Maryland 20910.

The description of William I. Henderson's land is^{it} the East half of the South East quarter of section thirty-five, in township six north, of Range eight west in the district of lands formerly subject to sale at Augusta, now Paulding, Mississippi, containing eighty acres. " This is near SandhillCreek and the

town of Henderson in Wayne County near the Greene County line. At about these times he lived on Big Creek and the Chickasawhay River, so you will have to be specific when ordering land patents from the land office because they will not hunt the record for you.

And now about the indians. The first I remember is hearing my Dad talking about giving a lawyer some money to get some indian claim money because he had about 1/16 or 1/8 Indian blood and was entitled to a share and this is where everybody is Miss. claimed kin with the Indians. Ever since I've been old enough to listen I've heard the name Jenny Hale. My Brother, Hard, told my sons that they were kin to an Indian Princess named Jenny Hale and she signed the Treaty of Dancing Rabbitt. Hard was born in Greene Co., 1888 and these Indian stories were circulating back in these times. I went to the Mississippi State Archives in Jackson, got a copy of this treaty and Jenny Hale's name is not on it., in fact, no woman signed this Choctaw Dancing Rabbitt Treaty. So that scotched that rumor.

I went to see Bill Henderson along with Colon Mills and I asked him about Jenny Hale. He said she was a full blooded Cherokee Indian that married a Henderson. I went to the National Archives in Washington, D. C. and asked for the books or rolls on the Cherokee Indians and Jenny Hale wasn't on the rolls. Then I asked for the Choctaw Indian Books and she was not on those books either. They let me examine the books and Frances and I could not find jenny Hale in either of the two books. The first time I had heard about a creek Indian is when you mentioned it and that seems more logical than any other version. I ordered a film about the Indians trading at Fishertown but there was no Jenny Hale or any other Hale mentioned as being there. I looked for Samuel Hale as storekeeper but he wasn't mentioned, other people were.

Now to answer your question specifically-yes, I heard the story lots of times about an Indian Chief stealing a white girl

and raising some children but I always doubted the authenticity of it. I wouldn't be surprised that it is not mixed up with the story that Ottis Henderson told me. He said that his Grandmother was an indian named Nancy Busby and when his Grandfather died his Grandmother gave his Dad, Harrison Coleman Henderson, to the to the indians to raise because she was left with eleven children but that't quite a long story.

Mrs. Dorothy Dunnam in Fortworth sent me some information about Jennie (Elizabeth) Strickland but married to Ebenezer Dunnam and both being buried at the Lasrus Walley old place. That is probably another Jennie Strickland. Who knows for sure?

We would surely like to visit with you and Ben someday if it can be worked out. Let us know when you plan to go to Miss. and maybe we could meet you two somewhere.

Dear Mrs. Strickland,

Thanks for the letter of February 5th and all that good information on the Hendersons. Here is an additional item from the Georgia Gen. Magazine: Zachariah, Mary, and George Henderson were members of the Long Creek Baptist Church 1786 of Ogeehee, Warren Co. under the pastoral care of Rev. Jephthah Vining-whatever all that means.

I came across this William Strickland bible record from the La. Gen. and Historical Magazine. I know Ben's Grandfather was born 29 July 1842 but the dates are close enough for consideration.

Here is a copy of the treaty with the Creek Indians, 1814 and the signatures in case you don't have this. I don't see Samuel Hale's name on it.

Also enclosed is a copy of a 1963 highway map of Greene Co., Miss. in case you are not familiar with them. I have a late map of Greene, Wayne, Clark, George Jones, Jackson and Perry Counties. You will note that they show some and not all churches and cemeteries. The address is Miss. Map Sales, 2567 Northwest Blvd., Jackson, Miss.

My plans now are to go to the Mills-Davis Cemetery

Memorial Service at Clara Sunday May 4th. They have a good time and lots of good eats and kinfolks get together. If you and Ben could see your way to attend maybe we could talk things over and do some visiting from that area. My phone number here in Baton Rouge is 504-275-3719 and if you would send me your number maybe we could finalize some kind of time and date. I also park my Airstream trailer at Foster Mills several miles south of Waynesboro and it is very convenient for my wife and I.

I don't remember any Stricklands being in or around Richton when I was there fifty years ago, however, Warren Strickland has a drug store there now and I have talked to him a couple of times. He is related to the Stricklands up in the area above Richton.

Dear Mr. Mills

Thank you for your letter of July 20. It was here when we returned from a week's vacation in Jackson, MS. We spent a lot of time in the archives there and tried to find out more about the Stricklands.

Yes I have corresponded some with Myrtle Griffin and have a copy of the book by Cora Walters on Simeon, Jrs. family. We visited Hannan Strickland in Ellisville and Viney Friddle in Laurel last July. They couldn't help us any on Henry either. There were some Stricklands in Covington County, but records are very complete on them at the courthouse and Henry doesn't fit there. There are wills for that particular family so definitely feel that he was not from it. He is always living near or next door to someone in your Strickland family. We have searched so long, but maybe one day we'll find who he was.

Enclosed you will find a copy of the letter I spoke about which states that Simeon (Sim) Strickland was the father of Sim S. Strickland. I am of the firm opinion that Simeon not David was the father of Elizabeth Strickland Henderson and that David was the father of three brothers Solomon, Simeon and John who came to Mississippi in 1810 and 1811. I have checked all the tax lists from 1810 on and all state census and there is never a David Strickland in them. There is a David Strickland and a Joseph Strickland in Natchez District in 1803 and Joseph's estate is there. Simeon Strickland, Sr. served in the War of 1812 and was stationed at Fort Claiborne Alabama which is on the Alabama River in Monroe County, Alabama and that is where Jane (Jenny Hale) was from. Fisher town, AL was located on the west side of the Alabama River in Monroe County, AL. I have found her brothers Samuel and David Hale there and found that they received land grants from the Indian Treaty at Ft. Jackson Alabama in 1814. Her father apparently was Samuel Hale who had a business in Blakeley, Alabama in Baldwin County and died in 1827. There was a connection with the Michael Ehlert or Elliott who was in Wayne County very early in the 1800's as Samuel and David Hale inherited from him in Monroe County, AL and he also received land under the treaty at Fort Jackson as being at least $\frac{1}{2}$ Indian (Creek).

A Mrs. Virginia Thompson from Ocean Springs, MS was researching this family in the 1960's. I have not been able to locate her, but she had published a query during that time that said the following: "On a slip of paper in my grandfather's ledger I found the following - David Strickland did sign the Treaty. I am the great, great, great grandson of David Strickland, the father of Sim, the father of Frances Strickland, the mother of Jacob Hutto, the father of Frances Rounsaville." This note was written by John D. Rounsaville, Mrs. Thompsons grandfather. It has since been thought that Frances Strickland was the daughter of John Strickland, brother of Simeon Sr and also son of David. This also leads me to believe that Simeon, Sr. and not David is the one who married Jenny Hale.

I am sending back a copy with some information that I have on the family filled in. If you think any of it is wrong, I would appreciate it if you would correct me. Do you have any idea who the daughter "Redy" was or who she married? I have tried to find someone to fit that place but have not been successful. Most of my information has come from

Dear Mrs. Strickland,

Thanks for your letter of Oct. 23. Don't ever think for a moment that you will ever trouble me. I am most happy to correspond with you on the family histories. I will always be grateful to you for the information on Jenny Hale and her family. Your information fits in perfectly with what I had.

I didn't make the reunion like I promised because the doctors put me in the hospital for a while during that time but luckily I came out all right. However, I did go there last week, Oct26 through Nov. 2. I went to the State Library in Jackson, Miss. for some copies of tax records on the James Family. I am filing papers for Sons of American Revolution (SAR) and I felt that I needed these papers which I got.

I went to Clara, Strengthford, etc. While near Salem Methodist Church I talked to Viola Richardson who was a Strickland before marriage, about your husband's family. The only thing she could contribute was that she thought the Stinson you mentioned were buried at the old Methodist Church Cemetary near Strengthford but I'm not sure this is the one you are looking for.

I fully intended to stop again in Richton and do some looking and asking but I got in a terrific rain storm there and

it was impossible to see much less see people or cemeteries,
but I won't forget about it.

Now to answer some of your questions.

1. No I didn't notice William Hartley and Nancy Strickland on the page with William and Elizabeth Henderson.
2. I don't know about the William B. Mills in the Sweetwater Cemetery near New Augusta. I went to High School in New Augusta. In fact, I graduated from there.
3. I have been in 38 cemeteries in different areas, mostly Greene and Wayne Counties but I only wrote down people that I thought were related to me. I noted one Delilah A. Macker, wife of C. E. Strickland, born 28 May 1828, died 6 Feb. 1913, in the Hardy Street Cemetery in Hattiesburg, Miss, if that means anything to you.
4. The James Family Cemetery is about five miles south of Runnelstown across the road from the Phillip Cleveland James Place. There are only twenty graves here and all are James.
5. Another cemetery nearer Runnelstown has Morgan, Browns, etc small area.
6. Another cemetery is south and east of Runnelstown, has one of my Brown kinfolk, among others.
7. The Prospect Cemetery is located a little further toward New Augusta and is very large.
8. I didn't know about Jenny Hale having a second husband. I do know that Rev. Ebenizer Dunnam married Jane Henderson,

my Grandmother Dorcas Henderson's sister and that they are both buried in the Mutual Heights Cemetary at Avera.

9. Here is a list of three Draughns in the Runnelstown *SEE PAGE 4* Cemetary that are related, a very large cemetary.

10. Next on the road to New Augusta, highway 29. Complete *LIST- PAGE 1*
11 Further down highway 29 the James Cemetary. Complete *LIST- PAGE 5*

12. Off highway 29. complete *LIST PAGE 6*

13. Just five names in the large cemetary Prospect. *PAGE 7*

I'm sure you must have most of these names, but most are my relatives.

I have a good many family sheets on the Davis, Mills, Henderson, James, McLain, Jones in Wayne and Greene Counties, if you should want them.

My Great Grandfather was James A. Mills and I feel sure (but no proof) that his father was William Mills. William Mills was in Jackson and George Counties in 1810 and several years later just down the Chickasaw and Pascagoula Rivers. There is a William Mills in Greene County born 1800 and I believe him to also be a son and also brother to James A. Mills, my great grandfather. Any help on these Mills would be appreciated.

Sincerely,

W. W. Mills

Dear Ward and Frances:

Know that you are probably not home yet, but wanted to write and thank you for a wonderful weekend. Ben and I really enjoyed meeting you and visiting with you both. Sunday was so nice. We have never been to anything like that before, and we really enjoyed it.

Sure hope you had success in Washington County and proved that what you had was correct. We are getting together some things on Wilson Strickland and taking the Stricklands back to Matthew I and his wife Elizabeth Loreen who came to Maryland in the 1600's, and will send them soon as I get them photostated.

Frances, I knew I had something on Terry's Texas Rangers and I found it in the History of Montgomery County, Texas by Robin Montgomery. (He is the son of Ben's high school history teacher). This sketch says that Terry's Texas Rangers were formed in Houston and that many enlisted at Plantersville, which is in Montgomery County just north of Houston. This sketch did not give any names, but I believe you will be able to find the information you are looking for if you will write

Ben and I visited this archives in 1978 when ^{we}were visiting his sisters in Conroe. It was not complete in 1977 when we were there. It is a repository for records covering that area of Texas and includes Harris County. We do know that they have Confederate Muster Rolls for that area as many have been published in CAGE Genealogical Society Magazine. Some are original donated by families of Commanding Officers. I found a J. W. COOK on the Muster Roll of Company F, 4th Texas Cavalry organized in Polk County, Texas 9th September 1861.

When we left Sunday we decided we had enough time since we were so close to stop and copy the three cemeteries in Wayne County on the Greene County border that Mr. Daniels missed. Didn't take long and one was very old. Stopped to talk to a lady when we couldn't find one of them and she showed it to us - on a grave on her property - a Brewer. She told us that the area was called Henderson and showed us an old building on her property that she said was the original Henderson property. It is so close to Henderson Cemetery in Greene County, I wondered if this might be the original William Isaac ~~HEXX~~ Henderson property.

Had better go for now. This has been a busy week, but wanted you to know how much we enjoyed the week end. Will send the above mentioned papers soon.

Dear Mr. Mills:

Thank you for your good letter of January 10, 1980. Glad the Holidays are over and we can get back to our Genealogy again. Ben and I enjoy it so much that we would spend all our time on it if we could.

The Zachariah Henderson from the Georgia Genealogical Magazine Fall 1972, #42, page 355 really interest me (Effingham County) because it gives his wife as Elizabeth. I think he may be the one who came to Greene County, MS after he sold the land in 1802.

Examine the following:

- 1812 Greene County Tax Roll Mississippi Territory
Alexander Henderson - 1 white poll; Tax 1.00
Zachariah Henderson - 3 slaves; Tax 2.25
- 1815 Tax Roll Greene County Mississippi Territory
Zachariah Henderson - 3 slaves
Joseph Henderson - 1 poll
Alexander Henderson - 1 poll
- 1816 Territorial Census Greene County, M.T.
Zachariah Henderson - 1 white male over 21; 1 white male under 21
1 white female over 21; 2 white females under 21
- 1816 Tax Roll Greene County, M.T.
Zachariah Henderson - 1 poll
- 1817 Tax Roll Greene County, M.T.
Elizabeth Henderson (Zachariah apparently deceased as he does not appear after this date through 1822)
- 1818 Tax Roll, Greene County, MS
Elizabeth Henderson tax 2.20 (this would mean that she was paying tax on slaves or land as females did not pay poll tax This year did not give any location, amt of land or no. of slaves. Only lists name and amount of tax paid.)
- 1819 Tax Roll Greene County, MS
Elizabeth Henderson - 160 acres, 4th class, 2nd quality; land tax .64; paid; 3 slaves; Tax 3.64
- 1820 Tax Roll Greene County, MS
Elizabeth Henderson - 3 slaves; Tax 2.25
- 1821 tax roll missing
- 1822 Tax Roll Greene County, MS
Elizabeth Henderson - on Chickasawhay River; 4 slaves; 3.00 state tax; .50 literary fund tax

I believe that the Zachariah Henderson of the 1820 Greene County, MS Census is someone other than the Zachariah above as he would have been to young to appear on the tax roll in 1812 even if born in 1794. He would also appear not to be the one listed in 1816 census as that one had two daughters. He could have been married and show on the census and still not be 21 years old and therefore not liable for poll tax and not appear on the tax roll.

page 2 -- Henderson

Could the Zachariah listed in 1820 be either the son of Alexander or Joseph mentioned earlier on the tax rolls and named for their brother Zachariah? Or could he be Zachariah, Jr. the white male listed in 1816 census with Zachariah Sr. as one white male under 21? or Could that white male under 21 be William who married Elizabeth Henderson?

Possibly the part about three brothers coming to Mississippi and one staying and the other two leaving Greene County is correct. Note the 1815 Tax Roll which shows Zachariah Henderson, Joseph and Alexander Henderson. I think that they were the three brothers since Zachariah stayed; Alexander went to Mobile and Joseph, according to the 1816 Census went to Wilkinson County. One of the Samuel Hendersons who got a passport shows up in Jefferson County, MS in 1816 census.

I do think that the Zachariah who made the bill of sale to John Knight in effingham county, GA in 1770 was probably the father of the Zachariah who had the wife Elizabeth and sold the land in 1802. The Zachariah with wife Mary in Georgia, selling the furniture, etc to John Knight was probably the son-in-law of John Knight since the later deed of gift to Mary Henderson out of his love and good will.

Have you ever done any research on the David Strickland in Nash County N.C.? I have done quite a bit and wonder if he might be the father of Solomon, Simeon and John who came to Wayne and Greene Counties, MS.

You and I have both researched the other David Strickland who appears in the American State Papers. Recently found more on him and he eventually migrated to Red River County, TX and died there according to his Revolutionary Pension papers. Will zerox this and send with my next letter for your consideration and opinion.

How old a man do you think Simeon Strickland was? I recently read "A trip through the Piney Woods" by J. F. H. Claiborne" and in it he mentions travelling through Greene County and into Wayne County going to Winchester, then crossing the river to the west and spending the night at Stricklands house and he says that Strickland was this late sheriff of Wayne County. This must have been Simeon as this ties in with what Lafe Strickland told us some years back. Apparently the journey of Claiborne took place between 1830 and 1832 which would make it before Simeons death.

Enough for now. It is time to fix Ben some supper, before I get fired.

Did I ask you if you ever knew Samp or Ang Strickland in Richton? Several people have mentioned them to us around Richton and New Augusta and I would like to find out more about them.

Let me hear your opinions on the Hendersons.

Dear Mrs. Strickland,

Hope you and Ben had a good holiday season. Now, maybe we can get down to the serious business of ancestor hunting. I certainly did expect you to keep the family charts that I sent you and I do not want pay for them. I enjoy corresponding with you and I appreciate the information you have sent and hope I can repay you in some small way.

I have collected a lot of information on the Henderson Family over the last several years but do not know how to arrive at the right conclusion. Maybe an expert like you can give me the answer. Here is some information on certain individuals in Greene and adjacent counties.

1. William Henderson, my Great Grandfather who married Elizabeth Strickland. The 1850 Census says he came from South Carolina but I am inclined to believe he came from Georgia and was 46 years old. That would make him born in 1804. His wife, Elizabeth was born 1805 in Alabama. William was on the Greene Co. tax roll on Big Creek with 96 acres in the years 1825 through 1842. I have a land grant which I got in Washington, D. C. and this land is located near the Greene and Wayne County line near highway 63 and this is not too far from the Henderson Cemetery where he and Elizabeth and lots more Hendersons are buried including my Grandmother Dorcas Henderson.

2. Zachariah Henderson-on Greene County Census 1816.
~~and~~ 1820. *CENSUS*

Males 16 to 26-1 Born between 1804 and 1794
Females-16 to 26 -1

" 20 to 40 -1 Born between 1810 and 1790

So I conclude he was too young to be William's Father-maybe a brother.

Zachariah was on tax roll, Greene Co. 1812-1815-1816 1824-1827. This could be a mistake. Why he showed up on the 1830 census and not on the later tax rolls I do not know. He was also on the 1811 tax roll, Wayne Co. It could be another Zachariah or still mentioning his name as they sometimes do to keep the record straight. Some Zachariah Henderson got 460 acres in Washington Co., Georgia-Revolutionary War Claim.

Consider this from Georgia Genealogical Magazine Fall 1972, #46, page 355. Deed Book E.-F-page 229 Recorded 9 Sept. 1806. Deed dated 20 Jan 1800 between Elias Hodges, planter and Mary, hiswife and Zachariah Henderson, planter, cons. of (\$100) one hundred dollars, tract of land granted 17 Oct. 1798 to Elias Hodges-100 Acres bound southeast by Davis, southwest by Herb, northwest by Hunt. Signed Elias Hodges. Mary (X) Hodges wit. John Moore Abel G. Loper, Effingham County, Ga., page 231, Rec. Sept. 1806. Deed dated Nov. 23, 1802 between Zachariah Henderson, planter, and his wife Elizabeth and William Rushing, cons. of one hundred dollars (\$100)-tract of land originally granted on 17 Oct. 1798 to Elias Hodges cont. 100 acres, conv. on Jan 20, 1800 to Zachariah Henderson bound on southeast by Davis, southwest by Herb, northwest by Hunt. Signed Zachariah H. Henderson and his wife, Elizabeth (#) Henderson.

Could this be the same one that came to Greene County since he sold the land in 1802? Your answer, please.

3. Alexander Henderson-On Greene County tax rolls 1812 1 wp-OSL \$1.00. Made a will in 1850 in Mobile County, Ala. and City of Mobile. Five daughters-1. Margaret Adcock 2. Nancy Jones, 3. Catherine Gordon, 4. Rebecca Drew 5. Hepsey Edison. I have a copy of this will-no mention of wife's name or sons. Alexander got a Georgia passport Nov. 17, 1810 for wife and 4 children from Marlborough District, S.C.

4. Samuel Henderson got a passport 9 Nov. 1810 from Abbeville District, S. C.

5. Also Maj. Samuel Henderson got a passport 21 Dec. 1808.

6. Lodewick Henderson got a passport 16 Sept. 1811 from Morgan County, Georgia.

7. Here is another interesting item from the Georgia Genealogical Magazine. I wonder if this Zachariah Henderson could be the father of the Greene Co. Zachariah? Zachariah Henderson to John Knight.-Bill of sale undated for three slaves, 60 head of cattle, 2 horses, 4 feather beds and furniture, together with pots and pans and all other items of his furniture and household goods given in payment of his bond (Promissory note) to Knight dated 10 March, 1770. No witness. signed, however, David Hines signs affidavit 18 Feb. 1794 that he saw Zachariah Henderson sign these instruments.

Zachariah must have died later because John Knight of Effingham Co., Georgia "Out of his love and good will gives the above property to Mary Henderson" 11 March 1793. I see no connection in any of this information on the Hendersons Family. There are lots of Hendersons and thousands of words have been written about them. One of the McLains wrote me that Ira Sowell told her that there were (3) three brothers Hendersons, that came to Greene Co.-one stayed which must have been William and the other two (2) went elsewhere. I haven't been able to correspond with any one who knows anything much about the Hendersons of Greene Co. Maybe you could draw some conclusions from your research since you mentioned them in your letter and inspired me to ask for help. But enough about the Hendersons now. Hope to see and hear from you soon.

Sincerely,

W. W. Mills

Dear Jean and Ben,

Don't have much to send you but did want to say that we enjoyed our visit with you both. It's trips like this that make genealogy more interesting. Every little bit adds to the information.

Enclosed is a copy of a letter from the Diocese of Mobile that mentions the name Reingeard. Could it be Ben's relative? I find no connection to the Timothy Mills. I did find there some Mills marriage records in the Mobile County Court House at Mobile when Colton Mills and I researched there after we left you two, but nothing else.

Colon and I spent the day in the Washington County Courthouse at Chatom, Alabama but I didn't find anything that I didn't already have. As good researchers as you and Ben are I'm looking for you to find James A. Mills' Father, born 1805, my Great Grandfather. I strongly believe that James Mills in Washington Co. ,Alabama is his Father but I still need more proof.

Also inclosed are 2 Washington Parish, La. 1850 federal census reports. Do you see any connection? Any information is always appreciated.

When your cemetary records of Greene and Perry

each.

Frances wrote Joyce Calhoon at the Sam Houston

Paul Scott. He sent her a lot of general information on
Col. Terry's Texas 8th Calvary Rangers for which we are
very grateful.

Sincerely,

Dear Mrs. Edwards

I recently received your Green County Miss. update and have several questions that I hope you can help me with. On page 8 line 11 you state that J.B. Mills AL 1836 is James B. Mills brother of Henry.

Question: Who supplied that information I would like to correspond with him. I am related to J.B. Mills and all of the information indicates that he had only one brother William James Mills. He is Grandfather. J.B. Mills full name was John Burel Mills born AL 11-23-1826. His first wife was Elizabeth (Cooper) Mills. They are Buried at the State Line MS. Cemetery.

In the 1850 Chactaw Co. AL census J.B. is located in the home of F. A. and Martha Cooper (his future rather in law) along with there daughter Elizabeth.

In the 1860 Chactaw co. census he is found with his wife and four children.

In the 1870 Green Co MS census he is found with his wife and eight children.

The last four children listed in the house are the children of his brother William who according to oral family history was wounded in the Civil War and died while in the army hospital in Mobile AL. His wife Mills ? caught yellow fever while in mobile to be near her husband. The children of William were brought back to MS to be raised by their Uncle J.B. Mills.

Question: Do you or any of your sources have any information on a William James Mills, are his wife Mills.

I would appreciate any help you could give me.

P.s: Is there any new info on Over Odum Sr. and Benjamin. haven't had time to do much lately.

Dear Mr. Mills:

Thank you so very much for your letter and all the good cemetery records. You had two that we did not find even though we looked for them and that was the James and the one south and east of Runnelstown where Hepsey M. daughter of A. G. and H. Brown was buried.

I would like very much to have the sheets you have on the Davis, Mills, Henderson, James, McLain, Jones in Wayne and Greene Counties. They will help me straighten out some of the things I have received from other people that I do not feel are correct.

We spent Sunday and Monday in Perry County. We met Harry Walley there and he went with us to find some old cemeteries back in the woods that his brother-in-law, Cecil Shoemake had been kind enough to get the locations from some old timers. We also went to the Lazrus Walley Cemetery just west of Sandhill back in a field on the old Lazrus Walley property. The Woodward Cemetery in the woods where Bogue Homc and Sweetwater Creek meet had been partially destroyed by a pipeline, but some graves were still intact. The old Meadows cemetery just west of the Greene County line in Perry County required going through three separate fields and a good three miles into the woods on the banks of Pinay Woods Creek. On our way back we stopped at or near Indian Hill in Greene County and checked one cemetery near the Tom Jones home. We talked to Tom Jones and in the course of our conversation he told us that he was looking for the grave of Jenny Hale.

Mr. Jones said that one day many years ago before Rev. Eb M. Dunnam died in 1920, he came by the Jones house and talked to Tom Jones, Jake Jones and Rich Henderson and told them that he wanted to impart to them a little history. He said that Jenny Hale was Sim Strickland's common law wife and that Sim Strickland had another wife and family elsewhere. Mr. Jones then said that Eb Dunnam then took Jake Jones and Rich Henderson and they went to see Jenny Hale's grave. He said they were gone about three hours and that they went in a Model A Ford truck. However I think that he meant Model T since Eb Dunnam died in 1920. We were short on time and had to leave, but will talk more with him when we go back. My husband's greatgrandfather Lewin Adams lived in Greene County and his brothers married into the Cowarts, Childress, Howards; Bens great grandmother Ranegar was born in Greene County and her mother was Mary Clark daughter of John Clark and Margaret Phipps who were early settlers of Greene County. The Moffets are also kin by marriage.

As for Jenny Hale having a second husband, old Ebenezer Dunnam, father of Ebenezer McAnce Dunnam who married Jane Henderson, I am undecided. The Prine family in Lucedale say that old Eb's wife was Jenny Strickland an Indian maid. He was a widower in the 1845 State Census of Wayne County. I am trying to do some research on it and hope to come up with something. Do you have any idea when she died? (Jenny Hale Strickland)

I am enclosing Simeon Strickland's War of 1812 service record. A copy of the deed from Jones County Deed Book I showing John W. Strickland acting as Administrator of the estate of Simeon Strickland deceased selling land to Simeon's brother John Strickland and his wife Margaret. I have

page 2

Also enclosed is a letter Simeon S. Strickland wrote to Washington, DC about Creek Indian Land.

I try to keep a record of what I have sent to people, but sometimes fail so may duplicate myself. If so, I'm sorry. Thanks for checking at Strengthford for us. We went to the old Methodist Church grave yard there and did not find any Stinsons, but there were many unmarked graves also. I believe they are buried in Greene County probably west of State Line.

Did you ever know or hear of Samp (Sampson) and Ang (Angus) Strickland in Richton? We talked to a Mr. M. M. Dunham (age 72) there a month or so ago and he spoke of them and said that my husband looked like them and they were very big men. Mrs. Walley said that she remembered Ang and that he was very tall and straight, but did not know anything about their families. I would like to find their graves and if they are marked, it might give us some information.

You mentioned the Brown's being your kinfolks. Is this the family of Elihu Brown who lived around Richton? If so, would like to verify some information with you later.

We have just finished publishing the 1831 - 1840 Tax Rolls of Perry County. Hope to be able to get the review copies out this week.

Had better go for now. I have this problem of trying to put too much in a letter. Thanks again for all the good information.

Sincerely,

Jean Strickland

Dear Mr. Mills:

Hope you had a good holiday season and that the new year brings successful ancestor hunting.

Thank you so much for all the good information you sent. Did you mean for me to keep the charts you sent. If so I certainly want to contribute toward their cost. That is a lot of information and you can believe that I will spend many happy hours studying them.

We are working on a book of Greene County Tax rolls and the following struck me concerning the father of William Henderson who married Elizabeth Strickland. Zachariah Henderson and Alexander Henderson appear early in Greene County, but I do not believe that they are brothers. I believe that Alexander is probably a brother of William Henderson and Joseph Henderson (who appears in 1815 for the first time) is also probably a brother. Zachariah Henderson in 1812 shows that he pays tax on 3 slaves but does not pay poll tax which would make him 50 yrs old or older. When a man reached age 50 he was exempt from poll tax. Zachariah continues to appear in 1815 as paying no poll tax, 1816 - the same, and in 1817 Zachariah no longer appears on the tax roll, but Elizabeth Henderson appears. This would mean that she was probably a widow. Could she be the widow of Zachariah and could they be the parents of Alexander, Joseph and William? I note also that Elizabeth is paying tax on 3 slaves the same as Zachariah. Elizabeth continues to pay taxes as a feme sole through 1820, which is as far as I have gone right now. Will continue to check her when I transcribe the remainder of the roll of microfilm.

On Simeon having two wives in Wayne County at the same time living next door to each other - the 1820 Census would appear to bear that out -

Simeon Strickland - Males: 2 under 10, 1(10-16), 1(16-26),
1(26-45)
Females: 5 under 10, 1(10-16), 1(16-26),
2(26-45), 1 over 45

The above is the Federal Census. The 1820 State Census which was taken later in the year shows the following:

Simeon Strickland - 2 males, 5 females, 1 taxable person

It would appear that between June 1820 and the fall of the year when the state census was taken 3 persons disappeared from Simeon's household. Perhaps wife #1 went back to North Carolina or wherever she came from.

I would welcome your opinion on the above. Yes, it would be very nice if we could all sit down and discuss this one day. If you plan to be in Perry, Greene or Wayne County and know ahead of time, let us know and perhaps we can arrange to meet you there and talk. When we go over there to copy cemeteries and talk to people we usually stay at the Lakeview Motel in Waynesboro.

Dear Mr. Mills:

Thank you for your letter of September 8. Were you able to go to the Strickland reunion at Salem Methodist Church at Strengthford? We were in Perry and Wayne County that week end and stopped by for a few minutes, but were unable to find out if you were there.

Thank you for the 1850 Census of Greene County showing William and Elizabeth Strickland Henderson. Did you notice on the same page that House #57 is William Hartley and Nancy Strickland sister of Elizabeth Henderson?

The Lucretia and Solomon Strickland in the 1850 Census of Perry County is also the brother of Elizabeth Henderson. I have no proof but have been told that Lucretia is Lucretia Lucas sister of Aaron Lucas who is also found in the Perry County census. The Hardy Stinson living with them is a son of Preston and Martha Stinson who lived nearby. He died before the 1860 census. This Preston and Martha Stinson are the people who raised my husbands grandfather Henry Strickland. Lucretia Strickland is buried in the Cochran Cemetery in a field just off Highway 15 north of the Good Hope Community in Perry County.

We found some Mills buried in Sweetwater Cemetery near New Augusta. We also talked to a Mills Nixon there who directed us to the cemetery. He was named Mills after his mother's family. The Mills we found were:

William B. Mills
9-12-1876
9-18-1935

Isabelle M. Mills
8-8-1884
8-5-1960

You said in your last letter that Mary Ann Smith wife of Phillip James and four of her children were buried in a cemetery south of Runnelstown. We thought we had copied all the cemeteries in that area, but I do not find their names in any we copied. Would you be so good as to tell us which cemetery? If we have missed an entire cemetery, we would like to go back and copy it. If their graves are unmarked, we would like to know so we can add the information to that cemetery record. We always give credit to the person from whom we obtained the information. We would like very much to make our book of cemetery records of Perry County as complete as possible as we believe that they will be a great help to many people who have encountered all the difficulties that we have researching the county where all the records burned.

Have you ever heard that Jenny Hale Strickland had a second husband? Some people who are researching the Dunnams in Greene County, MS believe that old Ebenezer Dunnam was married to Jenny Strickland, an Indian maid. These Dunnams had two daughters who married Mary Ann Smith's brothers Samuel and John Smith.

Dear Mr. Mills:

Thank you for your good letter and all the information, and the map I had one of Perry County, but did not have one on Greene County. We found out that all the cemeteries do not show on the map. We started out with the W.P.A. list of Perry County cemeteries which shows 49 and the Perry County map. Since that time we have located (with the help of the good people of Perry County) 81 cemeteries and know of 2 more that we expect to get very soon.

Enclosed is some things on Phillip James and various James family members that I found in my Carolina Genealogist. You may already have them, but just in case you do not am sending them. Also enclosed are a couple of group sheets on the McLain Family, parents brothers and sisters of Nathan McLain who married Eran Z. Mills.

The Chester Strickland's who live in Richton behind the post office are some people that we visited a month ago. Mrs. Chester Strickland is the daughter of Nathan McLain and Eran Z. Mills. She said that her line and Chester Strickland's line would come together if you went back far enough. Said her mother told her that. The Stricklands are Mormons. We came home and got out our notes and your group sheets and sure enough she was correct. Her grandfather would be Pleasant Mills.

I note that you are also interested in the Draughn's. We visited the cemetery and copied the markers of Rufus T. Draughn and Sabra Ann Davis Draughn, which I am sure you already have. The only thing different that I noticed from what you have is that the marker for Wyatt J. Draughn, 27 Regiment, Mississippi Volunteers, b 4-1-1843 said died at Camp Pettus, Mobile, Alabama 7-14-1862 instead of Camp Peters. Ben's grandfather Henry Strickland served in the 27th Regiment and one of the first places that they were was at Fort McRae here at Pensacola.

There is a Drury Strickland who shows up in the 1845 state census of Wayne County and on the 1845 Tax roll but is not there by 1850. Somehow I feel that he has something to do with Ben's Henry Strickland. He had six in the family, in 1845. I can not find out anything more about him no matter how I try. Have you ever run across anything on him?

We have talked to Warren Strickland in Richton. He told Ben to see his aunt, Mrs. Bundine near Clara and we did. She did not know much except about John Strickland who had several wives and many children by each of them. He is said to have ended up in Florida and I have been looking in this area for a tomb stone and haven't found one. I felt that this would be the right area since there were so many saw mills here in the late 1800's and early 1900's. This particular group, as did Ben's father, seemed to follow the saw mill.

Thank you for your kind invitation to the Memorial Service at Clara. We would like very much to be there and meet you and Mrs. Mills and talk things over. Our phone no. is 904-623-3584. Ben works 4 ten hour days a week and is usually off on Friday, Saturday and Sunday. Occasionally they work overtime, but I think this particular project is to the stage that there won't be much overtime for a while. He is a carpenter and they are constructing an addition to St. Regis Paper Company here. I work 2 days a week at a Used Car Dealership but can work whatever two days suits me as I do the bookkeeping and title work and can do it whenever I choose.

As soon as it gets closer to May 4, we will call you and we will finalize some plans and dates. We are looking forward to this.

Dear Mrs. Strickland

Received your letter on the Strickland Family. Appreciate hearing from you. To answer your first question, my connection to the Simeon Strickland is shown on the enclosed family sheets. My Great Grandmother was Elizabeth Strickland who married William Isaac Henderson. They are the parents of Dorcas Henderson, my Grandmother who married William Mills, my Grandfather. My Father was William David Mills. All these people were in Greene and Wayne Counties, Mississippi.

I received this information from Myrtle Griffin at Strengthenford near the Salem Methodist Church. However, everybody doesn't agree that David Strickland was the one who married Jenny Hale. Some say he was Simeon. Who knows for sure?

I don't see any Henry Strickland that would fit these dates but he could be omitted from this information and family sheet that I have. I would appreciate a copy of the sheet you received from the Bureau of Indian Affairs. I have some other information that I can share with you if it would help but not anything on Henry. Maybe he had two names including Henry.

I will close for this time but will look forward to hearing from you on the Strickland Family. Sincerely,

Dear Mrs. Strickland,

You owe me a letter but I thought you might be interested in reading an article I had received from some one else on the Cole and James Families.

I have just received my latest copy of Family Puzzlers and I read your queries about the Coles and noted the similarities in names and also some of them were in Mississippi. Maybe there's a connection.

We have been looking a lot but don't seem to get anywhere doing it.

Mrs. Chapman received our copy of your Perry County Cemetary Book. That is quite an accomplishment-a good job. I knew quite a lot of the older people in the county.

3. A copy of my note. They were written for my use but maybe you can read them.

4. A copy of a sheet showing a Henry Strickland in war of 1812 along with Simon Strickland. They spelled this name several ways. This is from a list put out by Mrs. Dunbar Roland.

5. Two sheets of public land records showing Samuel and David Hale.

6. Two sheets of American State Papers showing David Strickland and Son, John, for land claims in Missouri.

7. Two family sheets of William Issac Henderson. You will notice Richard Hard Walley married Elizabeth Henderson, first, then my Grandmother, Dorcas Henderson, Elizabeth's sister second and third Josephine Isabella Gordon.

8. Two ancestor charts of my oldest son, William, Jr. just to show you who I am.

9. Enclosed is a check for Records of Perry County, \$8.00. I am also interested in the other three counties, Greene, Wayne, and Jones that will come out later as mentioned in the Book Reviews of Mississippi Genealogical Exchange, vol. 25, Fall 1979 Issue.

This letter is already too long so will stop for now. And I do want to thank you for your valuable information.

Dear Jean and Ben,

I'm finally getting around to writing. I think about you two all the time, In the first place I didn;t have any family history to send you because we both stayed home during the hot weather. We made our first trip since seeing you two in May.

We went to the Mississippi State Archives (Oct. 12) to get some copies of Civil War Records of James A. Mills's Sons who were in the Civil War. He had nine (9) sons and eight (8) were in the war. I have their records, the ninth one I don't know what happened to him. I am compiling a military record book on my older ancestors that I come across-very interesting, you just don't know where your interest leads to.

Then we went to Bowling Green, Ky. hunting family ties of my wife;s to the Cook Family. We searched the court records of Warren, Logan, and Butler Counties Court Houses as well as the libraries in these places. Some records but not the one. We were most interested in; Hamilton Cook's Father. Hamilton Cook, her Great Grandfather was born around Bowling Green 1801.

Next we spent two days in Louisville, Ky. in the Filson Club Library, two days in the Sons of the American Revolution Headquarters Library and public library and one day in Frankfort Kentucky Historical Society Library. These libraries have lots of good records but not the particular records we were hunting. I belong to the S.A.R. and I felt sure I would find records out of 116500 members that would tie right into my Mills Family- but not so. Nobody from Mississippi or Alabama have become members on the Mills or Davis Family so naturally I was disappointed. I guess I'll have to depend on you two to find my

information. I suggest that you and Ben come here expecting to spend several days and just maybe you might find something interesting. I would be more than glad to take you around and help you get acquainted. The State Archives and the State Library are closed on Saturday and Sunday. The Centroplex Library is closed Sundays. The L. S. U. Library is open each day including Sunday evening. So why not come up soon. We will be glad to see you both.

Thanks for the group sheets and I appreciate all the help you have given me. Hope you and Ben will come to see us soon.

Dear Ward and Frances:

Hope you have both had a good summer. It was so hot here we almost cooked. Has cooled off now and the weather is beautiful. Maybe we can get back to doing some more cemetery copying in Greene County. It was just too hot during the summer to try it.

Genealogy has been slow for us all summer. We did get to visit a new found cousin in Lucedale on Ben's Adams side. at that time we stopped to talk to Arnie Strickland who ~~lives~~ out of Leakesville. He told us he didn't know much about his family only that his grandfather was Pink and his father Tom.

We came back and started looking up to see if we could prove his line. When we got to looking we found the fact was that he went back to Simeon and Jenny Hale Strickland through their oldest son John W. Strickland. In fact John W. died in Washington County, AL and not in Perry County as I had thought. We went to Washington County to the courthouse and found that the Hartley's (Nancy daughter of Simeon and Jenny Hale Strickland) had also migrated to Washington County.

Sometime ago when we visited Hannan Strickland in Ellisville and Viney Friddle in Laurel, Viney said that she was sure the Stricklands at State Line and Leakesville were kin but she did not know now.

Have revised my group sheets and am enclosing copies for you and have added some more group sheets and copies are enclosed. Still nothing on our Henry, but still feel that if I check out every Strickland I find sooner or later Henry is going to fall in place.

Have been trying to find something on your James A. Mills father, but nothing yet. Have been working on Washington County and Wayne County and hoping that something will surface.

When you write tell us about the new Research Center at 124 Main St in Baton Rouge. If I read the article right in the New Orleans paper, you have to have membership in Le Comite to use it. Does this mean that it will replace the Archives as the place to research? We had been hoping

State
to get to the Archives in Baton Rouge one day to research, and in case we do wanted to know where and how to go about it.

Don't have any thing else right now, but wanted to send the group sheets and say hello.

Dear Ward and Frances:

Thanks for your good letter and the Manager information. Myrtis Chapman and I are working hard on the Managers right now. Didn't know until recently that we were both working on Manager, Lott and Rounsaville, but we are.

Ben is quite excited, he has at last found someone he knows is actually blood kin to him in George County, MS on his Adams line. We visited them last week end and really discussed the kinfolks. They have roots in Greene County and her mother had knowledge of some cemeteries on the banks of the Chickasawhay so we copied quite a few Greene County Cemeteries in our three days there. Found some Stricklands near the Greene County/Washington County, AL border who have heard of the Stinsons but know very little about their family. Got some good leads though.

We visited Clark Chapel Cemetery and noted there your James family. I'm sure you already have these, but if you don't let us know and we will send them right away. The John Clark buried there with his 3 wives is, we think, a brother to Ben's great, great grandmother Mary Clark.

Sorry you didn't find out any more on the Mills. Will keep our eyes open and maybe something will show up. Sure hope so.

Ward, I am enclosing some material on the David Strickland that we have both found in the American State Papers and have assumed was our David. Please look it over and express an opinion. I am beginning to doubt that he is our David. I have his Revolutionary Pension Papers and it is documented that he is the one in Missouri and that he died in Red River County, TX and that he ~~was~~ born in Connecticut.

The census you sent from Washington Parish, LA are supposed to be descendants of David Strickland and Elizabeth Hunt Strickland of Hancock County, GA. I find it difficult to accept the families documentation of this as the David who died in 1803 in Hancock County, GA does not name all these in his will and all the children he names stayed in Hancock County, GA.

Also enclosed are some clippings from the paper on the Wilson Strickland oil deal in Texas and some information about Wilson Strickland's land grant.

I have such an urge to get to the Bottom of David Strickland and find out just which one he is. Every one that I have checked on does not show children Simeon, Solomon and John.

Finally finished the Perry County cemetery book. What a chore, but a good feeling to know it is done.

Hope you are both doing well and that it hasn't been too hot there. Has been so hot here and dry until this week. We have to forego our genealogy for a while. Both our children and granddaughter from Texas are coming July 11 and Ben's three sisters are coming August 1 so we will be busy with kinfolks.

Dear Mr. Mills:

Thank you for your good letter and all the information you sent. You and I seem to have worked in the same direction. My husband also has worked a lot on the David Strickland who applied for the land grant in Missouri. He believes that David Strickland in Missouri and the one who was in Natchez, Mississippi in the early 1800's are the same people. I have not definitely made up my mind on this.

To go on to other things first, I note from your family chart that you were born in Richton, MS. That really interested us as Ben's (my husband) Henry Strickland lived there in 1860 at Carlisle's Mill with Preston and Martha Stinson and their family. They raised Henry Strickland and he is never found in the census living with his parents. Also living near Richton at Carlisle's Mill was Solomon Strickland (son of Simeon & Jennie Hale Strickland) and his wife Lucretia Lucas, and Samuel Strickland and his wife Matilda. Later in 1870 Soloman Cochran (grandson of Simeon and Jennie Hale Strickland) is living there. Recently we went to a small cemetery just off Highway 15 near the Good Hope Community. It is the Cochran cemetery in a field. Soloman Strickland, I believe, is buried there in an unmarked grave next to his wife Lucretia. She has a marker. Some of the descendants of Ann Strickland Carlisle are buried there also.

While you were living in Richton and growing up there, did you ever hear anyone mention that the Strickland's and Stinson's were related? We have talked to the Stinson's there and they do not know anything. Their father Ben F. Stinson is buried near there at Mt. Zion Cemetery. Before he died he (Ben Stinson) told his daughter Lydia, that he and Henry Strickland were cousins.

Another thing that really interested me on your ancestor chart was the fact that William J. Mills died at Columbus, Mississippi. I note that it was in 1862, and wonder if he was in Confederate service when it happened or was the Mills family living in Lowndes County at the time? My reason for asking is that Henry Strickland is said to have stayed with relatives there when a child. I also found one record that says that Sim S. Strickland owned land there at one time.

We had a letter from Harry Walley in Destin, FL and he said he had heard from you and was so excited over the information you had sent him. We visit with he and his parents and his mother has been very helpful on the Cochran and Lucretia Strickland group as she grew up with the Cochran children.

I am enclosing a copy of a group sheet that I received from another lady which gives the ancestor and family of your Mary Ann Smith who married Phillip James. One child of Clayton Smith is omitted on this group sheet and it is Clayton Smith, Jr. who married Arcade Walley.

The will of Patrick James is recorded in Greene County, Mississippi in the will book 1878 - 1927. I did not copy the entire will, but

The Hale information you sent from the American State Papers, is similar to what I received from the Bureau of Indian Affairs. Although the American State Papers did not show it, Samuel and David Hale did receive relief from the government and were allowed to sell their land. The deed is recorded in Monroe County, Alabama and shows that they sold the land to Adam Canon on 8-15-1836 and the deed is signed by David's wife Celia Hale and Samuel's wife Rebecca. I think that their wives may have been sisters and daughter's of Michael Elliott who is listed as having land in Wayne County, MS very early. Michael Elliott also shows as receiving land from the Treaty at Fort Jackson. Also listed is Charles Elliott (I believe he was Michael Elliott's brother). Charles Elliott came here to Milton and appears to have died here.

I believe that the Samuel and David Hale above were Jenny Hale Strickland's brothers. Her father was, I believe, the Samuel Hale who is shown on the enclosed copies from the Territorial Papers of the United States by C. E. Carter. He was a merchant in Blakely in Baldwin County, Alabama. He died in 1823. In the Probate Court Minutes of Baldwin County, Alabama there is no will for Samuel Hale, but an application of W. Chase for temporary letters of administration on the estate of Samuel Hale deceased. The court ordered that the application be granted and bond was furnished by William Merriam and Peter Sears. There was no more on it in the records of Baldwin County, but in Monroe County, Alabama Book A, Wills and Deeds there is further about Samuel Hale and William Chase recovering damages from Charles Elliott. Copy is enclosed. Then later there is a deed from David Hale on May 27, 1830 selling the land which was his distributive share of the estate of Michael Elliott to Pleasant Bullard.

I have written far more than I intended to in one letter and knowing that I have a tendency to confuse people the way I write things, hope I have not done so.

There is one more document that I received from the Bureau of Indian Affairs and I will enclose a copy of it typewritten. The xerox copy I received is not easy to read and will not make a readable copy. It further proves that Jenny was married to Simeon Sr. and not David.

Please let us hear from you again on any ideas you might have.

Sincerely,

Dear Jean and Ben,

It was a pleasure to spend awhile with you two this past Sunday. It was a very enjoyable trip up the Alabama County since the flowers and trees were so beautiful. We visited the courthouses in Mobile, Baldwin, Monroe, Clark, and Washington Counties but found nothing new. We are still hoping to find out who the father of James A. Mills was — born 1805.

Enclosed is a copy of the letter that Mrs. J. B. Chapman made for me from Ronald E. Green about the Alabama land maps and how to order them. I want to thank you for the copy of the Perry County Cemetary book.

You also mentioned that you had further information about the progenitors of the Strickland and Jenny Hale and I would appreciate you sending me what you have. The latest I had was from Harry Walley and it said William was the father of Goldsbury Walley D 1787 or 90, but no dates on William or a wife. Any help there would be appreciated. You mentioned a Thomas Walley as being older or something to that effect. In the Mt. Pisgah Cemetary there is buried a Thomas Walley, ~~4~~ December 1850-died 12 March 1912. I see some old records about a Thomas Walley being around but no relevant information.

Any enlightenment on the family history is always appreciated. Good hunting to you both.

Dear Mrs Jean Strickland,

Your letter of July 29th received and very deeply appreciated. Thanks for all the information, it will help put this family picture together.

Enclosed are some papers that I have accumulated, maybe something will give you a clue.

1. An ancestor chart of Mrs. Barbara Strickland's Son, Les Edwards Strickland. There are two Henry Stricklands in this line. I know the dates don't fit but could be the family line. Her, Herbert Warren, husband came from some where around Amite, Louisiana. I suggest you write to her because she is very active in our geneology societies and possibly could help. Her address is -Mrs. Barbara Strickland, Route 3-Box 480 B, Amiss Road, Baton Rouge, La. 70808.

2. You might have this list of Stricklands. It lists David Strickland and Jenny Hale decendants. It was given to me by my second cousin, Myrtle Griffin and is read in the Salem Methodist Church every year. However, I believe, like you, that Jenny Hale married Simeon Strickland, Sr. and not David. Some say they married by "Jumping the broomstick," because he already had a wife and children.

Dear Mrs. Strickland,

This letter is mostly to acknowledge receipt of your very helpful information. I do appreciate hearing from you. I think if we could keep in touch some one of us could come up with a clue on Henry Strickland's Forebears. If he lived around Perry County and Richton we should eventually come up with something.

My plans now are to go to the Strickland reunion the first Sunday in October at Salem Methodist Church near Strengthford and I will ask about Henry there and around Richton. I was born there in 1908 and have been in and out of there for all these years but didn't hear very much about the Stricklands or Stinsons. Maybe someone there can refresh my memory or give some clue.

Two ways I get kin to the Stricklands is by my Great Grandmother, Elizabeth Strickland who married William Issac Henderson and my first cousin Corrine Mills married Steve Strickland. There are naturally others so I have a very definite interest in the Strickland Family. The information on the Hales and the Mary Ann Smith is

very much appreciated. Mary Ann who married my Great Grandfather, Philip James, is buried south of Runnelstown along with two of her sons and two of her daughters.

You asked about William J. Mills, my Grandfather who married Dorcas Henderson, a daughter of Elizabeth Strickland. He went to Corinth from Greene County and enlisted in No. A 24th Inf. Regiment, May 15, 1862 and died in the Columbus Mississippi Hospital June 18, 1862. I went to Washington, D. C. to find out how he died but they had no record, probably shot or disease which was prevalent. He is buried at Enterprise along with 400 other Confederate veterzns.

I have a 1850 census of Perry Co. which shows-

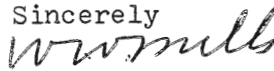

Solomon Strickland	30 years	M.
Leucretia	" 28 "	F.
Elizabeth Ward	60	F.
Hardy Stinson	8	M.

This is nothing more than information about these four People.

About Patrick James will-3 months after this will was made my Grandmother Luarchy Davis James must have found out about it and made him change it as she is the only one mentioned in the second will (later). I have a copy of both wills. These I found on a trip to the Mormon Library in Salt Lake City, Utah.

I received a lot of good information from Harry Walley in Destin. By working together maybe we can work out the problems of family history but it's hard to do research 200 years ago since these people didn't leave too many records.

Sincerely

W. W. Mills

P. S. Enclosed is a 1850 census of Greene County, Miss. that shows my Grandmother, Dorcas Henderson, the daughter of Elizabeth Strickland Henderson.

Dear Mrs. Strickland,

Your letter of Nov. 14 at hand and I thank you very much for it. Here are some of my family sheets for you to study during this cold winter. There certainly could be errors but it is as correct as I know how to make them with the information I have been able to get together. If you can add or subtract from them I would appreciate hearing from you.

You will notice on my ancestor chart that I have William and Sarah Mills as the parents of my Great Grandfather, James A. Mills. I am certain of James A. Mills but need more more proof on William Mills who lived down the Pascagoula River from James. Any help on the William Mills will be helpful.

Also I need help on establishing who William Henderson's Father was. William Henderson was my Great Grandfather, who married Elizabeth Strickland, daughter of Jenny Hale. There is a Zachariah Henderson and a Alexander Henderson in Green County in the early 1800's and are probably William's brothers but no proof.

This Lazarus Walley you mentioned married my Dad's half sister, Eliza Harness. I also talked to Tom Jones. He

lives by my mother and dad's old place. I have visited the cemetery between Tom's house and our old place up the hill. These Davis's are my kinfolk and some are on the charts. I have been back to see Tom several times but could not catch him home.

One of the stories going around in that part of the country is that Jenny Hale was the common law wife of Simeon Strickland and when he came back from the army he brought her back and built her a house by his first wife and children. My Cousin, Corrine Mills Strickland told me that he married by "jumping the broom stick" and that they lived south of Clara but I could never find the place.

I don't remember ever hearing of Samp or Angus Strickland in Richton. This Elihu Brown you speak of I don't remember either but this Alfred Brown on the family sheet married one of the James's girls who was the parents of my Cousin, Lizzie Brown who lived to be 102 years old and whom I knew very well at Richton.

Some of the family sheets duplicate some information already sent you but it was easier to do it this way. I love to hear from you and keep the good information coming. Maybe we could all sit down together and discuss all this more in detail.

Sincerely,

Dear Jean and Ben,

I just couldn't make myself sit down and write to you two. First, I didn't have anything new to write about and we had made a 3500 mile trip hunting ancestors and found practically nothing. You kind of lost interest when you don't find anything. If you find something you become very elated.

I bought the book "Guide to Official Records in the Miss. Dept. of Archives and History" that you had told me about and went to Jackson, Miss. in October hoping to find just what I was looking for but didn't find much. That war record of John and Solomon Strickland that I sent you was located from this book. I'm not sure group we found that in now because we looked at so many loose papers. When I asked for those old land records the librarian told me they did not have all the records but the U. of Alabama did and so we went to Tuscaloosa. We spent the day there at the library and found nothing of interest. Two of the groups that we wanted could not be found.

Corrine Strickland, who we all visited at Strengthford told me that Jenny Hale and Simeon Strickland lived south of Clara. But in the 1850 census of Greene Co. shows Matilda McLain as living in the next house to my Great Grandfather, Philip James. Since that is a good distance by horse and wagon I don't know how Matilda knew Jenny Hale, but those people moved a lot. I always felt she lived and died among those Stricklands around Clara, etc.

I'm sure you must have all the cemeteries in Greene listed by now and I want to buy one of the books. Send the book or how to order. I have listed a lot of these cemeteries but only put down my relatives. If I can send anything on this let me know.

We plan to go to the homecoming service at Clara the first Sunday in May (May 2). If you two are up that way we would be glad to see you. Maybe we could talk to some of those people and get a little more information

Overcame hardships

Judge Mills knows conflict, triumph

By TOM DONNELLY
Mississippi Press Staff

The harder the conflict, the more glorious the triumph. What we obtain too cheaply, we esteem too lightly; it is dearness only that gives everything its value — The Crisis: Thomas Paine (1776).

When Thomas Paine wrote those lines, he must have had Circuit Judge Robert T. Mills of Moss Point in mind.

On a nine-year odyssey through college, the Army, law school, and a checkered employment history, which ultimately proved to be of immeasurable worth to him in his legal career, Mills worked full time in the day to support his family and maintained full-time student status in night classes.

"When I was at Southern (University of Southern Mississippi), most of my classes were at night, because of having the daytime job, but I had one day class, a foreign language," he said.

Mills and his wife, the former Grace Delmas of Moss Point, recalled how they eked out a precarious survival in those early days of their marriage.

Mills attended day classes the first semester of his freshman year at USM, before he and Mrs. Mills married. After marriage, he switched to night classes and began working in the day.

"Even though there were some hardships, we really enjoyed it. All of our neighbors were in the same boat.

"We could handle the struggles, as long as we were together, but that was a difficult time when we were separated (by his Army duty)," Mrs. Mills said.

They were high school sweethearts whose romance began in their sophomore year at Moss Point High School. Both were graduated from high school in 1956.

"We got engaged when we graduated and got married the following December," Mills said.

"He was a football player and chased him until he caught me, what happened," Mrs. Mills said laughingly as she lightly tapped her knee.

After his freshman year, Mills

Judge undergoes surgery for disease

Circuit Judge Robert T. Mills of Moss Point underwent surgery last week at Singing River Hospital and is reportedly in fair condition. He was admitted to the hospital July 29.

The surgery was to stop pain caused by mesothelioma, a lung disease that can occur as a result of exposure to asbestos. He had already undergone lung surgery, necessitated by the disease.

A spokesman for the hospital said Mills will be in the hospital for an indefinite period.

Pascagoula attorney Chuck McCrae, recently elected to the Mississippi Supreme Court, is serving as interim judge for Mills.

Mills, 52, was exposed to asbestos when he worked at Ingalls Shipbuilding in the late 1950s. A pre-law student at the University of Southern Mississippi in Hattiesburg, he dropped out of school at the end of his freshman year to work for 15 months before returning to school.

for 15 months at Ingalls Shipbuilding. Following that, he returned to USM and was graduated in March 1961 with a major in history and a minor in English.

He worked for a finance company in Hattiesburg as an assistant manager when he returned to USM.

"They called me an assistant manager, but part of my duties included collecting arrear accounts. I had all kinds of experiences with people when I worked for the loan company."

Between graduation from USM and the University of

he received a juris doctorate of law in 1965, he worked for Thiokol, now Morton International. As a law school student, he worked for the university.

He first gave thought to becoming a lawyer as a high school student. Prompted by the thoughts, he began sitting in on trials at the Jackson County Courthouse.

"That continued when I was at Southern. I was working in an office in downtown Hattiesburg. Occasionally, I would get a chance to go over to the Forrest County Courthouse and listen to

Watching trials created within him a keen appreciation for the ingenuity of skilled legal tacticians, as they maneuvered against each other in hard-fought legal duels.

He changed his major from business administration to liberal arts, in preparation for law school. The decision meant more years in school, possibly prolonged hardships; nevertheless, he had complete support from his wife.

"Everything that I have ever done, everything that I have ever accomplished throughout my life, particularly since Grace

credit to Grace.

"She stuck with me through thick and thin. In those early days, it was more than thick.

"Like Grace said, even though it was hard when we were in school, those were happy times, and Grace is the one who made the times happy."

Even though it is justice and the law and not social organizations or culture that is the primary concern of the jurist, the immediate object of the law is the solution of social conflicts, but not every conflict.

Mills gave all of his life

A MARRIAGE MADE IN HEAVEN — Circuit Judge Robert T. "Sonny" Mills and his wife Grace relax at their home in Moss Point, as they discuss their 34th wedding anniversary in December. The couple married

invaluable to him since he went on the bench in 1980.

"I think all of it together was helpful in a lot of ways. Just the general experiences of life prepare you well to sit on the Circuit Court bench, outside of being a lawyer.

"There's a lot more to being a circuit judge than just applying the rules and applying the law. Your lifetime experiences do a lot for preparing you for making some of the decisions you make, outside of just purely legal decisions.

"In Circuit Court, you are dealing with people's lives, and

► Judge

From Page 1

your decisions will affect their lives. And you learn about those things in your lifetime experiences.

"To sum that up, my background as a trial and general practice lawyer, and also as a city prosecutor, city judge and city attorney, prepared me well, as far as a background in the law. And then my general life experiences prepared me to deal with people."

After completing law school, Mills returned to Moss Point and began practicing law in 1965. From 1965 until he went on the bench 15 years later, he maintained a private law practice. In the same time frame, he served the city of Moss Point as its prosecutor, judge and city attorney, in that succession.

He first practiced law in association with Frank Hammond Jr. and James Garner, and from 1970-1980 he and Richie Perkins practiced law together. Perkins, already attorney for the city school district, was named as city attorney when Mills went to the bench.

Jury verdicts have mandated that he sentence only one man to death for capital offenses. He sentenced Jessie Derrell Williams of Jackson County to death in 1983 for the brutal slaying of a teen-aged Escatawpa girl.

Reflecting on that case in particular, Mills said, "It's not enjoyable to sentence somebody to death. It was probably harder on the jurors than anyone else involved in that trial."

"They actually impose the death sentence. The judge imposes the sentence returned by the jury."

As a devout Christian and a judge, he is deeply concerned about the drug culture, because the nation's youth is being steadily impoverished spiritually, mentally, physically and in every other way.

In sober analysis, Mills said,

"By far, drug cases head the list in our court system. I would say they probably constitute 80 percent or more of our cases."

"In some way, narcotics would be involved in 80 percent or more of our cases. Even if it is not a narcotics case, it is usually the fact that caused the crime."

"You have to wonder what kind of future our young people have."

He pointed to several rehabilitation programs for alcohol and drug abusers as "some of the better programs," but emphatically said Jesus Christ, that great friend of humanity, is the best way to overcome and stay free of addictions.

He and Mrs. Mills are active in various programs at their home church, Dantzler Memorial First Methodist Church in Moss Point.

"Sonny was the first teacher of the Agape Sunday School class. It has been important to us because of the love and support of the friends we have in that class," Mrs. Mills said.

Since childhood, he has been known to intimates as "Sonny." In that connection, Mrs. Mills

said their grandchildren "call him Sonny, but they call me Granny."

Terri Mills Hinson, whose husband is on the medical staff of Providence Hospital in Mobile, was born to Mills and his wife when Mills was an undergraduate student at USM.

Tami Mills Stuart, married to an a bank vice president, was born between USM and law school.

Traci Mills, born in 1969 and shortly after Mills became Moss Point city attorney, is an elementary education major at USM. She will graduate in December.

The general consensus of Mills as a man and as a judge by attorneys, judges and laymen who know him well is that he is kind, magnanimous, self-controlled, humble — but a man with no false modesty and despite his gifts, he has no intellectual arrogance and unconscious superiority.

One of his greatest gifts as a jurist may be a bourgeois practicality that has always tempered his brilliancy, as a lawyer and as a jurist.
